

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MARCH 6, 2012

Pico Canyon Elementary School in the Stevenson Ranch area is part of the Newhall School District. The school is located on the north side of Pico Canyon Road about midway between Stevenson Ranch Parkway and Constitution Avenue.

The school, which opened in 2003, has very limited on-site parking for staff and visitors resulting in little or no parking available during drop-off and pick-up periods, for classroom volunteers, or for evening events.

The Department of Public Works and my staff have met with representatives of the School District and the school on many occasions over the past several years. There are few low cost alternatives to develop additional on-site parking at the school. Pico Canyon Road was designed for three lanes of travel in each direction with no parking allowed at anytime. Currently, traffic demand does not require all three lanes. For the short term, parking can be allowed on Pico Canyon Road in the vicinity of the school without creating traffic congestion.

I, THEREFORE, MOVE that the Board of Supervisors direct the Director of Public Works to rescind the existing parking restrictions on the north side of Pico Canyon Road from Pico Canyon Elementary School's entrance driveway westerly to within 200 feet of Stevenson Ranch Parkway and install signs prohibiting parking between the hours of 10 p.m. and 6 a.m. within these same limits, until such time as the traffic volumes increase requiring a third traffic lane.
